Coxhoe Parish Council Community Free Website Business Pages

Coxhoe Parish Council and Coxhoe Community Partnership value the contribution of our businesses and traders to the social and economic well being of our communities of Coxhoe and Quarrington Hill. As part of our community focussed website we have a series of pages for businesses and traders accessible from our home page (example screen shot below). These pages are completely free and are provided at no cost to you. In fact there is no cost to the Parish Council or council tax or business rate payers as the website has been developed and is administered by a volunteer from the Community Partnership.

By providing details of your business and contact details you can obtain free publicity on a website that receives about 1,000 hits every month. Should you wish to take advantage of this facility and have a page developed on the site then we would be delighted to do this for you. Generally it is up to you what you want to display on the site although the Administrator does have overall editorial rights and the Parish Council reserves the right not to publish material that it does feel appropriate to the website. If you have your own images we can display them if you have electronic copies or the administrator can take photographs on site on your behalf. All free! Visit the site to find out more www.coxhoeparishcouncil.gov.uk

To take advantage of this offer all you need to do is to complete the attached form and either send to the administrator Ian Forster at 17, Beechfield Rise, Coxhoe, DH6 4SB or arrange for him to collect by contacting him on 07904122440 or ianforster176@btinternet.com.
